Introduction

Genial Topics Geografie ist ein fächerübergreifendes Arbeitsprogramm, das bestimmte geografischen Themen für den Englischunterricht anbietet und die Schüler zum selbstständigen Erarbeiten eines Themas in englischer Sprache anregt.

Interessante Inhalte und zusätzliches Bildmaterial helfen die Texte besser und leichter zu verstehen. Viele differenzierte Arbeitsaufgaben (Puzzles, Rätsel) tragen zur Festigung der Geschichten und der neuen Vokabeln bei, die Selbstkontrolle der einzelnen Aufgaben ermöglicht den Schülern das Lerntempo selbst zu bestimmen.

Genial GW-Topics "Tropical Rain Forest" is an exciting activity book where your students can visit the tropical rainforest with its unique animals and exotic plants. It contains puzzles, crosswords and many more. These activities will help your students to learn a lot about life in the Tropical Rainforest easily. They can also be used in open learning.

I wish you and your students lots of fun using Topics

Irene Schwarz

The Rainforest

Tropical rainforests are very warm with lots of r every day.

Rainforests cover less than two percent of the Earth's surface.

They are home to some 50 to 70 percent of all animals and plants on our t.

You can find tropical rainforests around the e

The largest rainforests are in I (South America),
Zaire (Africa) and Indonesia (South East Asia).

The longest r in South
America is the Amazon River.

It rises in the A - and flows
over 4000 miles (6400 km) to the
A Ocean.

This river contains more w
than the Nile (Africa), Yangtze (China) and
Mississippi (USA) rivers together.

In the last years people t down much of the rain forest to sell tropical wood,
to get room for f and their cattle.

Read the information and fill in the missing words from the box below

farmland

Pacific

  Match the pictures to the words - animals in the rainforest

frog jaguar piranha caiman sloth
 hummingbird python monkey ant spider
 lizard butterflies

Zipp the Frog tells his story

Hi, I am Zipp the

.....

I live in the

..... tropical rainforest in South America.

It is very

..... here and it

..... every day.

I don't mind that, I really like it because I often sit on a

..... and

look for

..... and other insects. They are my favourite food.

There are many

.....

here.

Sometimes I hide under some

.....s that are on the ground.

I am afraid of snakes, because they want to eat me.

There are many other animals in the

..... like

.....s, and

.....s.

I don't fear the

.....s although they are bigger than me, because

they live in the trees, eat leaves and are very slow.
